Seminars

iLembe Chamber Seminars provide you with essential information and updates, for example on legal and tax matters, that will assist you to manage your business.

JED - Joint Enterprise Development

The JED programme partners with the Chamber's corporate members, as part of their enterprise and supplier development commitments, to support entrepreneurs and small businesses that wish to make the transition from the informal economy to the formal economy. The JED programme provides a platform, amongst others, for business linkages between small and big businesses in our region.

Business Help Desk & Resource Centre

The Business Help Desk provides basic business advice, guidance and referrals regarding a range of business related issues, from setting up a small business to where to register a legal entity and submit tax returns.

Mentoring

Chamber accredited mentors, with experience and skills across a diverse range of industries, provide free support and advice to the iLembe business community, and in particular budding entrepreneurs and micro business owners.
